EclipseUS™ ADA

EclipseUS™ ADA is an antifoaming and defoaming agent that suppresses foam build-up while mixing and dissipates established foam. This superior formulation works in a wide range of pesticide and fertilizer tank mixes.

Foam Prevention: 1-2 oz/100 gallons
Defoaming: 2-4 oz/100 gallons

Suggested Retail Price
\$27.00/qt

EclipseUS™ Tank Cleaner

A clean sprayer helps protect against crop injury and yield loss. EclipseUS™ Tank Cleaner is a strong spray system cleaner designed to remove oily residues that can build up throughout a sprayer system. When used with proper tank cleaning practices, EclipseUS Tank Cleaner is a valuable tool to avoid cross-contamination from a wide range of crop protection products, including dicamba.
